62.2 Winter all-Night Parking Prohibited

(a) Between November 1st and May 1st no person shall park any vehicle in any municipal parking lot or public street when a snow emergency has been declared by the City of Rochester, Director of Public Works or his/her designee. In declaring a snow emergency, the City shall notify the local media and use other means that may be appropriate to alert the public not less than six hours prior to such emergency taking effect. When called, such emergency shall remain in force until such time as declared by the Director or his/her designee.

(b) The Police Chief, after consultation with the Public Works Director may grant specific exceptions to section 62.2(a) in designated areas of any municipal parking lot or on any particular public street when a snow emergency has been declared.

Winter Ban Application Rules

1. There is no cost for a sticker however, it must be renewed annually. The Application process can take five days, as permission is granted first from the Director of Public Works and then the Police Chief.
2. You must be a Rochester resident. Proof of residency must be verifiable with either a vehicle registration or utility bill such as gas/electric/cable/tax bill or copy of a lease. The Police Department only uses this to verify residency, and does not need to keep a copy.
3. Only one exemption per registered owner. Sticker is placed on the interior windshield, passenger side right.
4. The sticker is NOT transferrable between persons, but may be transferred to a subsequently owned vehicle (i.e., broken windshield, purchased different car, etc.) Please update the vehicle information with the Police Department.
5. Sticker is for winter ban only....does not exempt from regular parking rules. Failure to park in designated areas can result in being towed and ticketed.

6. Sticker is a courtesy. Use of common sense must prevail. **Vehicles should be moved by 0900 the morning following a storm in order for the City to clean up parking lots.** Any vehicle impeding snow removal, even a sticker, can be towed and ticketed.

7. Sticker is not intended to be lot transferrable.
